## **Web Developer/DBA – Channel Central, Conderton**

[channelcentral.net](http://channelcentral.net) is a rapidly-growing company serving the IT industry, with customers worldwide. We urgently require a Web Developer/DBA to assist with development of our 'Software as a Service' (SaaS) eCommerce projects. Working alongside our Technical Solution Director, the right person for this job is someone with impressive skills in ASP, .NET development or SQL server, and familiarity with web development and IT in general. If you are an "ideas person" who loves to solve problems and acquire new skills, so much the better! Our workload is high, but hours are flexible and training will be an inherent part of this role. For more information or to submit your CV and arrange an informal chat, email [dan.mason@channelcentral.net](mailto:dan.mason@channelcentral.net) or call on (07912) 307723.

## **Apprentice Events Organiser – Deer Park Hall, Eckington**

Applications will open in the New Year.
